In Memoriam: Waltraut Pathenheimer

Film photographer Waltraut Pathenheimer passed on Dec. 21, 2018. She worked at the DEFA Studios as a still photographer for over four decades and on over 80 films. Her photos, which captured the spirit of a film and could stand on their own as art, became icons of DEFA history.

Our DVD *The Fiancée* includes an article on Pathenheimer by Anna Luise Kiss and Dieter Chill and a gallery with her exceptional black-and-white photos of the film.
